Dear Ms. Hellner:

Rocky Flats would like to schedule hearings before both the Jefferson County Planning Commission and County Commissioners to apply for the Certificate of Designation to begin construction of the New Sanitary Landfill. Background information about the New Sanitary Landfill is contained in the Environmental Assessment (EA) and in the Finding Of No Significant Interest (FONSI), of which thirty copies each were provided to your office on March 31, 1994, by Don Mittlestadt, Project Manager, EG&G, for distribution within the appropriate agencies of Jefferson County.

The Department of Energy will issue a public notice of this request at its April 20, 1994, Rocky Flats Monthly Meeting. Recognizing the time needed by the County to review and comment on this matter and that construction of the New Sanitary Landfill is scheduled to begin in October 1994, Rocky Flats requests a hearing in May 1994 before the Jefferson County Planning Commission to re-initiate the process of applying for the Certificate of Designation.

If you have any questions regarding this matter, please contact me at 966-3334 or Carla Sanda, Community Relations, EG&G, at 966-2011.

Sincerely,

Paul Cote, Leader
Non-Radioactive Waste Programs
